

## OWN YOUR GROWTH

SINCE 2020

Dear William Clearfield,  
June 21, 2021

I would like to formally and sincerely express my gratitude on behalf of Team OYG for the amazing work you accomplished with your contributions in this COVID time.

Your overtime work editing and framing and presenting creatively the video session, shows your expertise, exceptional work ethic and commitment to our field's success.

Without your willingness to put your other work on hold and take on such a great responsibility and workload, we would not be able to reach so many people. The entire team is incredibly thankful for you.

Once again, thank you sincerely for your drive and hard work. We look forward to your future success with our Team!

Gramercy,
